Subject: Data Download: GCIS Student Submission Update (10-29-21)

Happy Graduate Recruiting to All!!!

The two GCIS SUS Committee representatives per institution will receive your login/download access this morning from Blair at CIMES. Please distribute the student data as appropriate per your institution and remind all GCIS Users of the requirements.

<https://www.eng.ufl.edu/gcis/requirements>

If you have not already done so, I would encourage everyone to send one final email reminder to your students as the form will remain open. I will no longer send student submission updates as you will be able to see the Submissions by University table found here on the GCIS University Administrator Homepage:

<https://gradid.fsu.edu/index.cfm?fuseaction=administrators.home>

We will meet again in the Spring 2022 term when the final GCIS download and filtering functions are complete, debrief and re-assess, finalize GCIS access for all Users, and re-confirm a final future timeline.
