Subject:	GCIS is LIVE!!!
Attachments:	GCIS Template Email for State of Florida Undergraduates.docx
Importance:	High

Hello Everyone,

The GCIS Student Opt-In & Self Entry Form is now live!
https://gradid.fsu.edu/student-opt-in

Thank you to everyone for your efforts over the last 6 months to make this happen. ==Extra special kudos to Rebecca, Blair, & Amy @ CIMES!!!== Having said that, the most important factor takes place now. We need all institutions to market the site to their undergraduate students (Juniors, Seniors) beginning Monday, October 11 with several reminders over the next 3 weeks. I will send weekly updates to all on student submissions so we can continue to encourage participation.   Attached is the email message template to send to your students, feel free to edit as desired for individual institutional needs.

2021 TIMELINE
October 11-29: Florida students register for GCIS
October 29: Deadline for students to register for GCIS
November 1: Florida Universities receive GCIS Database access to recruit students for Graduate School

Data Access
For this first, abbreviated cycle of the revised GCIS data collection, all of the submitted student data will be

available in a single downloadable .CSV or .XLXS file. There will be no filtering functions to download subsets of the student data. Access to these files will become available on 11-1-21 after the student data collection form closes. Each GCIS Committee Member will receive a login name and password that can be used to access the site and download the submitted data. These login credentials and the URL where the download can be reached will be provided on 10-29-21. Each GCIS Committee Member should make the GCIS student data available to their campus representatives as appropriate. All GCIS Users should follow the established guidelines on the GCIS website, https://www.eng.ufl.edu/gcis/requirements/

Thanks,
Mike

Subject: Consider Graduate School in FLORIDA!!!

October 11, 2021

Dear [FIRST NAME] [LAST NAME]:

Public Universities in the State of Florida have joined forces to provide you increased access to Graduate School in Florida! Our efforts have produced an enhanced statewide database known as the Graduate Candidate Identification System (GCIS).

Whether you are a Junior or Senior level undergraduate, we encourage you to briefly register online for the many opportunities Florida Public Universities can provide you: fellowship opportunities, Ph.D. programs, campus visits or funded campus visits, summer research internships, application fee waivers, Masters programs, research symposium invitations, new scholarships, online graduate degrees, graduate recruiting events, webinars and other academic endeavors.

Register Online by October 29, 2021
https://gradid.fsu.edu/student-opt-in

[YOUR INSTITUTION] recommends you participate in GCIS! Simply take 30 seconds to complete this student opt-in & self-entry online form to provide a few basic fields of information and grant your permission for release to 11 State of Florida Public Universities for the sole purpose of recruiting you to graduate programs in Florida. More details on GCIS can be found on the following website, https://www.eng.ufl.edu/gcis/

Sincerely
